

Ned's One-Page Cue Card — Day 1 Safety Orientation

Kamp Kumquat • Slide-by-slide script with the six "Karl klutzes" per topic. Full word-for-word notes are in the PowerPoint speaker notes.

Kids' job: find the six numbers in each picture, then yell **"KARL, NO!"** Karl's total

30 KLUTZES

1 Welcome Back, Kampers!

Stand tall, hat straight, deadpan.

"Howdy, Kamp Kumquat Kampers! Welcome back! I'm Kamp Director Ned, and it's time for our Safety Orientation. But I know you don't want to listen to **me!** So... Kamper **Klutzy Karl** is going to help me with today's Safety Presentation. Aren't you, Karl?! **FALL IN, KARL!**"

Look for Karl — his hat is peeking over the KAMP KUMQUAT sign. Let the kids spot it.

"On every slide Karl makes **SIX** mistakes. Find the numbers. When you catch one, all thirty of you yell **KARL, NO!** Practice: Karl... **NO!** Louder!"

Turn around → floppy camo hat on, shirt misbuttoned, one sock down. Come back as Karl.

2 Bug Off! Ticks & Insects

Karl: "Almost ready for the hike! I smell **FANTASTIC.**" — **Ask:** *what's he doing wrong? Count!*

- 1 **Light colors** — ticks are dark and tiny; on light clothes you can **SEE** them. (Tick hiding on his camo hat.)
- 2 **Cover up** — long sleeves, long pants, tall socks, pants tucked **IN**. (Rolled sleeves, tiny shorts, knobby knee.)
- 3 **Bug spray** on skin that shows, counselor helps, never on the face/cuts — and only if you're not allergic. Sweet lotion = mosquito dinner.
- 4 **Zip your tent.** Every. Single. Time. (Mosquito Motel: vacancy!)
- 5 **Mosquito net** over the cot, tucked in, no gaps — not a ghost on the pole.
- 6 **Tick check** every night with your buddy: hair, ears, armpits, belly button, behind knees. Found one? Don't yank — tell a counselor.

Wrap: Cover up, spray up, zip up, check up. **KARL, NO!**

3 Take a Hike (Safely!)

Karl: "Here, kitty kitty! Want a berry?" — **Ask:** *where's the group? Where's Karl?*

- 1 **Listen** — leader talks, you stop, look, listen. (Hat flap over his ear.)
- 2 **Stay with the group** — between the leader and the sweep. Never alone, never ahead.
- 3 **Stay on the trail** — brush is tick and poison-ivy country. Leaves of three, let it be!
- 4 **Leave wild things wild** — no touching, feeding, chasing; no tasting berries or mushrooms. That "kitty" is a raccoon: teeth, rabies.
- 5 **Be ready** — boots tied, water full, whistle on. (Karl's are at the trailhead.)
- 6 **Lost? S.T.O.P.** — Stay put, hug a tree, whistle x3, wait. Counselors come to **YOU**.

Wrap: Listen, stay together, stay on the trail, leave wild things wild. **KARL, NO!**

4 Karl's Big Splash: Waterfront

Karl: "Buddy? My floaties are my buddies!" — *Follow the clocks: 12, 1, 2, 3... storm at 4.*

- 1 **Buddy up** — never swim alone, only with a lifeguard on duty. Buddy check = hands up together.
- 2 **Inside the buoys**, in **YOUR** swim area. Floaties are toys, not life jackets.
- 3 **Walk on the dock** — feet first, never dive where it's shallow.
- 4 **Life jacket buckled** in every boat; stay seated. (His is hanging on the dock.)
- 5 **Sunscreen** every 2 hours, drink water, shade breaks. (12:00 "SPF later" → lobster.)
- 6 **Thunder** = everybody **OUT**, 30 minutes. Lifeguard's whistle = stop, look, listen.

Wrap: Buddy up, stay in bounds, life jacket on, walk on the dock. **KARL, NO!**

5 On Target: Archery Range

Karl: "Found my arrow! Hey Mr. Burns, watch **THIS—**" **Burns:** "**FOUR WHISTLES MEANS STOP!**"

- 1 **Listen to the Rangemaster** — 2 whistles: get bow, to the line • 1: shoot • 3: get arrows • 4+: **STOP**, bow down, freeze.
- 2 **Bow points downrange** — never at a person, even empty.
- 3 **Never dry-fire** — no arrow = bow can crack and snap back at your face. **TWANG!**
- 4 **Arrow drops in front of the line? Leave it.** Tell the Rangemaster; never reach over.
- 5 **Never go downrange** until 3 whistles and "all clear."
- 6 **Waiting line**, nock on command, arm guard on your **ARM**, walk. Rule 7 = Rule 1: **LISTEN!**

Wrap: Listen, point downrange, never dry-fire, never go downrange. **KARL, NO!**

6 Campfire: Keep It in the Ring

Karl: "Who wants a **FLAMING** s'more?! Does this can go in the fire or the recycling?"

- 1 **Outside the circle** — benches, about 15 feet (five giant steps). Only the fire warden tends the fire.
- 2 **Counselors light fires**, ring only, never on a burn-ban day — check the Fire Danger sign.
- 3 **Nothing into the fire** — cans explode, plastic makes poison smoke, sticks throw sparks.
- 4 **No horseplay** — sticks aren't swords; a flaming marshmallow isn't a torch. Blow it out low.
- 5 **Never leave it alone** — bucket full, shovel ready. Leaving? Drown it, stir it, feel it.
- 6 **Hair back, no loose laces/sleeves.** Clothes catch? **STOP, DROP, ROLL.** (His lace is smoking.)

Wrap: Outside the circle, nothing in the fire, drown-stir-feel. **KARL, NO!**

7 Sweet Dreams, Karl...

Softly, like a bedtime story.

"It's ten o'clock. Karl's in his raccoon footie pajamas, snoring — tent flaps open, net still on the pole. Bzzzz. Some people never learn. But **YOU** did. In Karl's dream he does everything right. Read with me:"

BUGS cover up, spray up, zip up, tick-check • **TRAIL** listen, stay together, stay on trail, wild things wild • **WATER** buddy up, inside the buoys, life jacket, walk on the dock • **ARCHERY** listen to the Rangemaster, bow downrange, never go downrange • **FIRE** outside the circle, nothing in the fire, drown-stir-feel.

"Karl made 30 klutzy mistakes — one for every camper here. Your job this week: zero. See a friend about to pull a Karl? **KARL, NO!** Not sure about anything? Find a counselor."

Hat off — you're Ned again. "Goodnight, Karl. Zip your tent. Let's have the safest, silliest summer yet!"

Quick answers (for shout-outs)

Karl does anything wrong: "KARL, NO!"

Archery whistles: 2 = get bow, to the line • 1 = shoot • 3 = get arrows • 4+ = **STOP**

Lost in the woods: S.T.O.P. — stay put, hug a tree, whistle x3, wait

Poison ivy: "Leaves of three, let it be"

Thunder: out of the water, 30 minutes after the last rumble

Fire's done: drown it, stir it, feel it — cold to the touch

Clothes on fire: **STOP, DROP, ROLL** — cover your face

Found a tick: don't yank — tell a counselor

Bug spray: skin that shows, counselor helps, hands-then-face, not if allergic

Closer: "When I say **KARL**, you say..." — **"NO!"**
